**Independent Auditor's Report
To the Management of
Light House**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Light House**, which comprise the Consolidated Statement of Financial Position as at 30th June, 2023 and Consolidated Statement of Income and Expenditure, Consolidated Statement of Receipts and Payments, Consolidated Statement of Cash Flows for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view, in all material respects, of the financial position of the entity as at 30th June, 2023, and of its financial performance for the year then ended in accordance with the accounting policies summarized in Note 2 to the financial statements.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter -Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 2 to the financial statement, which describes the basis of preparation of the financial statements and the significant accounting policies. The financial statements are prepared to assist the entity to meet the requirement of Project. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting policies summarized in Note 2 to the financial statements and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

হোসেন চৌধুরী এন্ড কোং **HOSSAIN CHOWDHURY & CO.** CHARTERED ACCOUNTANTS

Report on Other Legal and Regulatory Requirements

In accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, and other applicable laws and regulations. We also report the following:

- a) We have obtained the required information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit in order to make due verification.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of the documents; and
- c) The Company's statement of financial position and statement of profit & loss and other comprehensive income dealt with in the report are in agreement with the books of account.
- d) The expenditure incurred was for the purposes of the Company's business.
